

# SUNDUZA

SOUTHERN AFRICA'S FOREMOST BULL TERRIER KENNEL EXPANDING AFTER 15 YEARS IN RETIREMENT

SUNDUZA PIROBELLA

**Our first winner since our return to breeding  
OUR UNEQUALLED RECORD**

Since our start in 1972 we produced 43 champions including 3 in other countries in 14 years from 1976 to 1989 with a further 3 during our first few years in retirement, for a total of 45. Among them were Southern Africa's first 3 Supreme Bull Terriers, 8 of the 28 Dogs and Bitches of the Year and 5 Stud Dogs of the Year in 14 years, as well as 7 Brood Bitches of the Year in 10 years. A great number of other Supreme Bull Terriers, Dogs and Bitches of the Year and Southern African and foreign champions descend from our kennel, including two Regent Trophy winners (Britain's top award) and a Silverwood Trophy winner (North America's premium award).

**THIS UNIQUE RECORD REMAINS UNEQUALLED IN SOUTHERN AFRICA'S BULL TERRIER HISTORY.**
